Kim Powers is our Child Development teacher and works with high school students in the PELE lab. Kim is originally from Burkeville, Texas. She graduated from Texas A&M University and then completed her masters at Sam Houston State University. Kim began her career in education as a fourth grade teacher. She then worked as a school counselor for 14 years, in three different school districts and with different age groups. Kim is married and has two children, Matthew and Macy. Matthew is currently a senior at Jasper High School and Macy is a freshman. Her husband, Jay, is a teacher and coach at Jasper Junior High School. Kim's favorite thing to do is go to the movies. She loves reading and cooking and a clean house. Her favorite place is the beach.
